(Assam Kenwood Furniture)*

MISSION & VISION

Assam Kenwood Furniture aims to be No.1 in building eco-friendly abode, and globally renowned wooden and bamboo cottage manufacturer. We are known for extremely high quality standards and a symbol of quality through professional services with a strong focus on giving value to our customers. By 2054, our aim is to capture a major market of Wooden / Bamboo Cottages, Villas, Gazebos and Huts manufacturing, using state-of-the-art construction techniques.

Our projects have earned a high reputation across India. Led by AMIT PURA – A Visionary Professional with more than 20 years of experience in the field. Proudly Located in the capital of two States ‘Chandigarh’ Since 1993, from then to now has been leaving impact by providing high quality materials and finest services.

We are specialized in manufacturing custom high quality wooden and bamboo cottages using state-of-the-art techniques, our skilled craftsmen use a combination of machine tools, latest technology and hand techniques to produce precision work. We have successfully completed more than 2000 projects across India.

Working tirelessly for almost 3 decades, we started the business named Assam Kenwood Furniture with only 2 people. Due to our amazing ability to make quality Kenwood Furniture, we have been able to make Assam Kenwood Furniture a well-known and trusted name in the region. Taking this legacy forward and keeping in view the demand of the market & customers and understanding the trend of people towards eco-friendly construction, In 2003, Assam Kenwood Furniture embarked on a journey to create bamboo and wooden cottages, starting with limited resources. We first crafted our products in nearby hill stations and cities, garnering an immense response due to our excellent craftsmanship. Although there was no effect of the internet and social media during that time, through referrals, we were able to expand our reach to cities all over India. Our success in meeting the expectations of all our clients led to the accomplishment of many milestones in the construction of bamboo and wooden cottages.

Today, on the basis of our working style and competence, Assam Kenwood established a separate name in Wooden & Bamboo cottages Construction in India. We can proudly say that it is almost impossible to get the best quality that we can provide at less cost. We have a team of professional craftsmen who execute each project with utmost care. From planning to completion of construction, the particular work is given to the people who are expert in their profession with proper segregation of every work. All the right tools and professionals needed to build a perfect home are available at Assam Kenwood Furniture, be it Carpenters, Engineers, 3D Artists, Architects, Legal Advisors or Labour. Right approach towards work, ability to deliver what we promise and excellent quality are the keys to our success.

ASSAM KENWOOD FURNITURE has extensive experience in building wooden and bamboo frame structures of all types and sizes. No matter what kind of design our customer envision, we have the design and construction expertise to make our customers dream a reality. All our Products are manufactured with quality woods acquired from national and international resources as per requirement of the clients. Our customised approach to every project makes us a unique service provider who are able to give the best in quality of our customers' dream wooden and bamboo cottages/ homes.
